

COMMUNICATIONS COMMITTEE REPORT
October 28, 2020

The Communications Committee has done well in 2020 and will end the year with a net profit of \$374.26. As a committee, we determined we would donate \$100 to Mid-Ohio Foodbank due to the critical need and \$50 to the LTCA (Little Turtle Civic Association) carrying \$159.46 into 2021. (I have confirmed with Kathi that donations may be made by the Communications Committee.)

We added two additional advertisers in 2020 without solicitation. We were requested to allow a full-page ad in all editions for 2021 for one advertiser. Following a vote, this advertiser was advised we would sell her a 1/2 page ad but not a full page which she accepted. Her first ad will be in the December edition.

The accounting for 2020 is attached for your review. We will continue to be self-supporting for 2021.

Respectfully submitted,

B.J. Underwood
