

ATTENTION PICKAWILLIANY RESIDENTS

UPDATE FOR PAVING PROJECT ON SMOKETALK & STRAWPOCKET LANE

BELOW IS THE INFORMATION FOR THE COMPLETION OF THE PAVING NEXT WEEK:

The paving of all the driveways should be completed by the end of today, Friday, (7/6/18) along with the pink and purple sections of the road on Smoketalk Lane (Please refer to color coded map provided with the initial notice). A copy is also located on the Pickawillany website, if you have misplaced your copy. www.littleturtle.org

The contractor, M&D, will return either late Saturday (7/7/18) or early Sunday (7/8/18) to remove the barricades where the paving has been completed. **PLEASE DO NOT DRIVE ON THE NEW ASPHALT ON SMOKETALK LANE UNTIL THE BARRICADES HAVE BEEN REMOVED**

Monday morning **ALL** owners who will need their vehicles on Monday, Tuesday and Wednesday of next week, will need to remove them before 7:30 AM on Monday morning, (7/9/18). Once the paving begins on Monday morning, **owners will NOT be permitted to drive vehicles on Smoketalk Lane nor Strawpocket Lane until the paving is completed. Owners please plan to park on Blue Jacket Rd. The pink and purple sections on the map will need to exit through Phase 2, beginning on Monday morning and until the paving project is completed.**

Strawpocket Lane residents are included, due to the approximately 15 ft of the road on Strawpocket Lane where it meets Smoketalk Lane that was not paved. This section is being paved & included with the red section located on the map.

The contractor would like to remind everyone not to turn the steering wheel(s) in a stationary position to avoid leaving marks on the newly paved roads & driveways. Do not spray tire cleaner or other chemicals on the new asphalt as it will discolor the asphalt.

The cooperation of the weather the last two days helped the paving to continue as scheduled. The contractor greatly appreciates the cooperation and patience of the residents during the milling and paving work.

Trash pickup has moved to Monday; due to the 4th of July holiday this past week. The contractor is aware of this and will assist where needed. We do ask that owners on Smoketalk & Strawpocket hold off on putting out any additional items or bulk items this week. **The recycle pickup should be on schedule for tomorrow due to the holiday.**

PLEASE BE CAREFUL WHEN WALKING/DRIVING ON THE MILLED SURFACE IT WILL BE UN-EVEN, ETC. (Vehicles not being used may remain in the garage with door closed)

Keep in mind paving is weather dependent, therefore, if it rains, the above schedule may change and owners will be notified.

Please check the Pickawillany website at www.littleturtle.org daily for updates.

THANK YOU VERY MUCH! - M&D Blacktop
