PAVING PROJECT FOR - SMOKETALK & STRAWPOCKET LANE

Yesterday, Thursday 6/21/2018, M&D began the milling portion of the paving project and will continue to complete milling the remaining areas today, 6/22/2018.

Owners may drive on the roads over the weekend but please remember to drive slow and be cautious as there maybe some areas that may be uneven. **PLEASE BE CAREFUL WHEN WALKING/DRIVING ON THE MILLED SURFACE IT WILL BE UNEVEN, ETC.** (Vehicles not being used may remain in the garage with door closed)

The contractor will return on Tuesday, 6/26/2018, around 7:30 AM to begin the drainage & repair work. The schedule is to complete this portion of the project on Tuesday (6/26/2018) & Wednesday (6/27/2018) of next week (weather permitting).

The plan is to begin the paving on Thursday, weather permitting. **They will begin the re-paving portion of the project in the areas indicated on the map in the LIGHT BLUE/GREEN SECTIONS (please refer to map sent with initial notice).** If you live in these sections, please have your vehicles moved by 7:30 AM and do not move your vehicles back until the paving has been completed and the safety barricades are removed. **Please do not drive on the newly paved areas until the barricades are removed by the contractor to avoid damage to the newly paved roads/streets.**

Many factors affect how fast/slow a paving project is completed, therefore, at the end of each day, the contractor, will post a notice on the doors of the section(s), (units) that will be paved next and the areas that will be affected. **Please check daily for a notice from the contractor with detailed information affecting your unit(s).**

In addition, as the contractor moves through the project any necessary information that owners will need to receive will be provided and posted on your door(s), so once again please plan to check daily for a notice.
