

# **ATTENTION PICKAWILLANY RESIDENTS**

## **UPDATE FOR PAVING PROJECT ON SMOKETALK & STRAWPOCKET LANE**

**THE PAVING PROJECT IS COMPLETED FOR ALL OF PHASE 1 OF THE PICKAWILLANY ROAD PROJECT.**

**THE CONTRACTOR WILL RETURN ON TUESDAY, JULY 10, 2018, TO STRIPE THE SPEED HUMPS ON SMOKETALK.**

**THE BARRIERS WILL REMAIN IN PLACE UNTIL WEDNESDAY WHEN THE CONTRACTOR WILL RETURN TO OPEN UP THE AREAS THAT WERE PAVED TODAY.**

**PLEASE DO NOT DRIVE ON THE NEW ASPHALT ON SMOKETALK AND STRAWPOCKET LANES UNTIL THE BARRICADES HAVE BEEN REMOVED, WHICH WILL BE SOMETIME ON WEDNESDAY, 7/11/18.**

**THE CONTRACTOR WOULD LIKE TO REMIND EVERYONE, “DO NOT TURN THE STEERING WHEEL IN A STATIONARY POSITION TO AVOID LEAVING MARKS ON THE NEWLY PAVED ROADS AND DRIVEWAYS”. “DO NOT SPRAY TIRE CLEANER OR OTHER CHEMICALS ON THE PAVMENT, AS IT WILL DISCOLOR THE NEW ASPHALT”.**

**THE COOPERATION OF THE WEATHER TODAY ALLOWED THE CONTRACTOR TO BE ABLE TO FINISH THE PAVING TODAY.**

**ONCE AGAIN, WE GREATLY APPRECIATE THE COOPERATION AND PATIENCE FROM ALL THE RESIDENTS AFFECTED DURING PHASE 1 OF THE ROAD PROJECT AT PICKAWILLANY.**

Please check the Pickawillany website at [www.littleturtle.org](http://www.littleturtle.org) daily for bulletins and updates about what’s happening in the community.

**THANK YOU VERY MUCH! - M&D Blacktop, PUOCA & Management**
