## **IMPORTANT NOTICE WATER SHUT OFF WEDNESDAY, 6/19/2019**

**June 17, 2019**

**Dear Pickawillany Owner/Resident:**

**Unfortunately, the Association will be shutting water off to complete the necessary main water leak repair at 5032 Wintersong.**

**On Wednesday morning, June 19, 2019, the water will be shut off at approximately 8:30 AM. We recommend owners be prepared and plan accordingly.**

**Unfortunately, the water shut off may affect all of the Pickawillany community or a major portion, which is why we are notifying all unit owners. It may be the only units that will be affected are those on Wintersong and Whistlewood, but we are not 100% certain, therefore, we are notifying ALL Pickawillany residents.**

**The contractor was able to fit us in on Wednesday in order to return and complete the necessary repair.**

**The contractor is figuring approximately a period of 8 hours to complete the necessary repairs. The repairs require them to isolate and drain the main, which supplies multiple units. They will do their best to get the repairs completed in a shorter amount of time if possible.**

**We apologize for any inconvenience this may cause to our residents and appreciate your patience.**

**Sincerely,**

**The Pickawillany Board of Directors**
